**PYRAMID HEALTHCARE ACQUIRES TAPESTRY
EXPANSION OF SERVICES IN NORTH CAROLINA CONTINUES**

ALTOONA, PA, July 1, 2017 – Today Pyramid Healthcare, Inc. announced the acquisition of Tapestry Eating Disorder Services of Western North Carolina. With facilities located in Fletcher and Brevard, NC, Tapestry provides inpatient and outpatient eating disorder treatment for adults and adolescents.

Founded in 2006, Tapestry has developed innovative and effective treatment approaches in a variety of settings. Founder and CEO Tina Nowak stated, “We are excited to become a member of the Pyramid family of exceptional behavioral healthcare treatment services. Their clinical and operational capabilities will be a tremendous asset to Tapestry as it continues to grow throughout North Carolina and the rest of the country.”

Pyramid Healthcare CEO, Jonathan Wolf commented, “This is an important addition to what is becoming a large and diverse group of treatment facilities and disciplines for Pyramid Healthcare in North Carolina. Pyramid’s other subsidiary or related companies in western North Carolina include October Road, which provides outpatient mental health, chemical dependency, and Assertive Community Treatment Team (ACTT) services; Real Recovery which offers sober living homes; and Silver Ridge, which provides drug/alcohol rehabilitation outpatient services in a residential setting.

About Pyramid Healthcare, Inc.

Pyramid Healthcare is one of the largest private behavioral healthcare treatment companies in the United States with over 80 facilities, employing over 2,000 health professionals throughout Pennsylvania, New Jersey and North Carolina. Pyramid Healthcare is owned by Clearview Capital, a private equity fund specializing in assisting its portfolio companies by providing growth capital and management expertise to expand their services and operations.
